

Pitch:

With over 190 countries on the planet and hundreds of airlines able to take you to any one of them, having the knowledge and ability to travel the world without breaking the bank is important. The NorCal Traveler will be a site which features advice on how to save money on transportation costs, which hotels are good and inexpensive, travel gear recommendations / reviews, photos and videos with reviews and suggestions from around the world.

Log:

Changes made after Week 15:

- Removed all Widgets from the footer.
 - Returned Recent Posts but decreased to just showing the two most recent posts.
- Removed the custom link to my YouTube Channel from the menu.
- Added the Videos Page to the menu, with Japanese Snack Reviews and Miwa Harumiki as subpages, with the actual videos at the end of the submenu's.
- Created and uploaded a new logo.png for the navbar
- Created a new page for Miwa Harumiki
- Uploaded 4 more posts, bringing my total number of pages and posts to 10.
- Removed the image name from beneath the picture on the Miwa Harumiki page.
- Downloaded/Activated the “amr shortcode any widget” widget.
- Downloaded & Activated the “Category Based Posts” widget
- Made and added individualized widget shortcuts for the recent categories posts for the videos, miwa harumiki, and Japanese snack reviews pages.
- Uploaded three final posts with social media links.
