DesignKit Inspiration Phase Method: Create a Project Plan
http://www.designkit.org/methods/9

Step 1: Deadlines
    Week 15 Group Review: ASAP
    Week 16 Group Review: December 11th, 2016
    Final Project Submission: December 23rd, 2016.

Immediate Priority: Complete Week 12, 13, 14, 15 & 16 by December 11th, 2016.
                       5 Assignments in 4 days.

Step 2: Budgeting & Staff
    Adequate budget and staff for the completion of this project within given timeframe.

Step 3: Resources
    Talk to: Ethan Wilde
    Read: Assigned readings

Step 4: Team Management
    Time for team to enter field: Immediately
    5 – 6 hours of sleep every night until semester ends
    Lots of tea and caffeine must be available.

Step 5: Additional Project Plans
    No other classes need attention for the next few days, thus December 7th – 11th the team will be
dedicated to this singular project.
